

HOW TO MAKE A SNOW GLOBE

Materials:

Jar with Screw-top Lid	Oil-based Enamel Paint
Distilled Water	Paint Brush
Sandpaper	Clear-drying Epoxy
Glycerin	Holiday Figurines of your choice
Glitter	

1. Paint the lid a seasonal color.
2. Sand the inside of the lid until the surface is rough.
3. With Clear-drying Epoxy, glue the figurine(s) inside the lid and let dry.
4. Fill the jar almost to the top with distilled water, add a pinch of glitter and a dash of glycerin to keep the glitter from falling too fast.
5. Screw on the lid tightly. Turn the jar over and back again.....ENJOY!
