

# MARIJUANA LAWS BY STATE

## Legalized

Adults can purchase, possess and cultivate marijuana for personal use, whether medical or recreational.

## Decriminalized

Typically means no arrest, prison time, or criminal record for the first-time possession of a small amount of marijuana for personal use. All of these states, excluding Nebraska, also allow medical marijuana and/or CBD use.

## Medical/CBD Use Only

No state-level criminal penalties on the use of medical marijuana. Some of these states have CBD-specific laws, singling out the non-psychoactive component of marijuana.

## Illegal

No active laws legalizing the use of marijuana.
