Ingredients

Batch of sugar cookie dough,
homemade or store-bought*

Pink colored sugar

A few pieces of pink taffy or pink

Star Burst candies

Rolling pin, spatula, and cooling
rack

White or pink cookie icing

Waxed paper

Heart-shaped cookie cutter (a 2
1/4-inch-wide cutter works well)

Butter knife

Kitchen scissors or a kitchen knife

Directions

- 1 Roll out the cookie dough and cut out an even number of heart-shaped cookies. Sprinkle half of the cookies with colored sugar. Bake the cookies according to the recipe or package directions.
- 2 Transfer the baked cookies to a rack to cool.
- 3 Turn one of the plain cookies upside down so that the flat bottom faces up. Spread on cookie icing and then set one of the sugar-topped cookies down on top of it. Repeat this step until you've assembled all of the sandwich cookies.
- 4 Now it's time to crown off the cookies with Tiana's special valentine emblem. Use the rolling pin to roll the taffy or Star Burst candies between waxed paper until it is very thin. (If the candy is too hard to roll, you can soften it in the microwave for 4 to 5 seconds.) Then use kitchen scissors or a knife to cut out a small candy crown for each cookie (a parent's job).
- 5 Top each cookie with a candy crown, using a small dab of cookie icing to hold it in place.
