

### Be a Wildlife Watch Explorer!

Get outside and look for wildlife in your backyard, community and local parks.

Write down the different animals, plants and nature you see, and then visit

[www.nwf.org/watch](http://www.nwf.org/watch) to report your sightings, share stories and even upload photos!

# Create a Wildlife Field Journal

See anything cool? Did you spot an animal for the first time or see a beautiful flower in bloom? Using the items you listed on the front of this worksheet, write a story about your wildlife adventure. Share your story online with other Wildlife Watch naturalists at [www.nwf.org/WildlifeWatch/TellMyStory.aspx](http://www.nwf.org/WildlifeWatch/TellMyStory.aspx).
