Students & Recent Graduates

The Pathways Programs offer clear paths to Federal internships for students from high school through post-graduate school and to careers for recent graduates, and provide meaningful training and career development opportunities for individuals who are at the beginning of their Federal service.

As a student or recent graduate, you can begin your career in the Federal government by choosing the path that best describes you and where you are in your academics:

- **Internship Program:** This program is for current students enrolled in a wide variety of educational institutions from high school to graduate level, with paid opportunities to work in agencies and explore Federal careers while still in school.
