

Safety on the Railway

Trains are safe, fast and a fun way to travel, but railways are extremely dangerous places to play. There is a special safety code written to help us all to stay safe. Look closely at each part of the code below. Can you complete the safety messages? Draw a line from each safety rule to the picture that matches it.

Trains are a safe way and fun way to travel, but railways are extremely dangerous places to play.

1. Never p _ _ _ anything on a railway line.
2. Never throw anything at a t _ _ _ _ , or dangle anything from a b _ _ _ _ _ .
3. Never e _ _ _ go onto a railway line.
4. Do not damage f _ _ _ _ _ around railway lines.
5. Do not ride your b _ _ _ on a railway platform.
6. Do not open the train door until the train has s _ _ _ _ _ .
7. Never put your head out of a train w _ _ _ _ _ .
8. Stand well back from the edge of the p _ _ _ _ _ .
