

Cast of Villains

BAC – The lovable kingpin of all bacteria, BAC is everywhere and has millions of germs, infections and diseases at his disposal.

E. Coli – The notorious king of all bacteria, “Big E” will make your tummy shake, rattle and roll.

Sal Monella – A contagious cowboy who rustles up trouble with his slimy stampedes.

Shigella – A diseased diva who tours hand to hand playing contagious concerts.

Campy Lobactor – A washed up “BAC act” that is better left washed away. His routine is no laughing matter.

Influenza Enzo – Simply put, he makes kids a fever they can't refuse.
