

LibreOffice Productivity Suite Download » LibreOffice

LibreOffice **CD/DVD-images, version 4.0.0**. Not the version you wanted? [Change System, Version or Language](#)

This version of LibreOffice is prepared with care and presented with pride by the LibreOffice community. PLEASE NOTE that, since this is the very first version in the series, make sure to read the release notes (0).

This version of LibreOffice is prepared with care and presented with pride by the LibreOffice community. PLEASE NOTE that, since this is the very first version in the series, make sure to read the release notes (see right).

LibreOffice is made available by volunteers around the globe, backed by a charitable Foundation.

Please support our efforts: Your donation helps us to deliver a better product!

CD/DVD image files with English or German User Interface

- LibreOffice for all supported platforms in all available languages (Windows™ + Portable)
- Help- and Language-packs in several languages (GNU Linux 32/64 Bit, Mac OSX x86/PPC)
- Selected Extensions, Templates, Dictionaries, and Documentation
- Label, Cover, Inlays, and other Artwork
- Complementary Open Source Software for Your Office
- LibreOffice Source and Development Tools (German DVD only)

Detailed descriptions: [English DVD](#)[German DVD](#)

- LibreOffice is an open source project and you can therefore download the source code to build your own installer.
